Types de pollen:

1. monopore
2. dipore
3. tripore
4. stéphanopore
5. péripore
6. monocolpé
7. dicolpé
8. tricolpé
9. stéphanocolpé
10. tricolporé
11. stéphanocolporé
12. syncolpés
13. hétérocolpé
14. fenestré
15. tétrade
16. polyade
17. disaccate
